<https://www.ashokalloys.com/>

We are reckoned amongst the known manufacturers of the wide range of Man coolers, Axial flow fans and many more. Our products are known for varied features and high quality.

## About Us

**Ashok Alloy Foundry** came into being in the year **1970** and carved a niche as the leading Manufacturers of the wide range of Man Coolers, Axial Fans, Axial Impellers and many more. Products we are offering are serving the varied demands of clients in timely and efficient manner. Our products are known for varied features such as durable, reliable, ensure high performance, ensure long service life and many more. The material of optimum quality is used in the manufacturing of our range and we also give extreme care to the packaging of our range and ensure that products safely reach to the client's end. Our vast network of distribution has helped us to reach the client's end in minimum time-frame. Our manager **Mr. Atul Wadhawan** has played a vital role in our success. His guidance and efficient leadership have helped us to keep pace with the changing business environment and dynamic market trends.

Support of highly skilled and efficient staff has helped us to win the trust of the vast clientele. Our team of quality controllers, R&D personnel, warehousing experts and other staff has made our tasks easy and helped us to serve the customer's needs in a timely manner. Our professionals are kept informed of the trends prevailing in the industry through various training programs and workshops which also help them to perform well in long run.
